

I'm not robot!

My name is Anna and I  
shouldn't be here. I shouldn't  
exist. But I do.

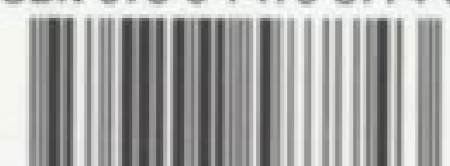

Anna hides her secret diary away each night because she doesn't want to get into trouble for breaking the rules. Life in Grange Hall is governed by rules, rules that have to be obeyed in order to make up for breaking the biggest rule of all. Being born.

But when Peter arrives and starts to tell Anna shocking things about the outside world, she learns to question the rules and, with Peter, struggles to escape the past and find a better future.
